Hills Self Storage is a family-owned and operated business since 2001, offering safe and secure **self storage in Sydney**. We have a storage solution that's perfect for your needs and budget whether you need a short-term or a long-term storage solution. We are always ready to fulfil your requirements and provide a solution as we have four state-of-the-art locations spread over the Hills District of Sydney.

All buildings are under strict 24-hour camera surveillance along with a PIN security gate, they are all fully alarmed and enabled with security lighting and fencing. All our secure self-storage facilities are constructed adhering to the Australian standards and also they adhere to the proper fire codes.

Our self-storage units include business storage, personal storage, moving boxes, caravan and boat storage, and **wine storage units**.

If you are looking for a secure Self storage in Sydney, then call us on 02 9659 1122 or you can find more details at our website.
