Rent360 Property Management Brisbane is full-service rental property management in Brisbane, Australia. We do it all: from finding you the perfect place to live to take care of all your maintenance needs. We know that your time is valuable, and we want to make sure that you're getting the most out of every minute you spend in your new home. That's why we have implemented cutting-edge technology into our business model—so that we can keep costs down and make sure that your property is being taken care of properly by highly trained professionals. Our senior property managers are all local residents, who have been with us for years because they know how important it is to keep an eye on things at all times. Our cost-to-property owner or landlord rates are open and transparent, so there's no need to worry about hidden fees or surprises when it comes time for maintenance or repairs.
