As a family-owned and run business, Sydney Wide Kitchens specialise in kitchen design and laundry renovation. Sydney Wide Kitchens can provide its customers with a more personalised approach and help in creating the custom kitchen of their dreams!

- With over 25 years of experience, we have extensive expertise in the kitchen industry.
- We stand for Australian owned and made kitchens of all types.
- No job is too big or small for us.
- We have certified designers to design and renovate your kitchen and laundry room within the specified timelines and budget.
- You'll get a friendly and personalized service from us.

At Sydney Wide Kitchens, we work closely with you to know the design-style you're after. Your ideas, our impressive design concepts and eye for detail facilitate us to build the kitchen of your dreams that balances your lifestyle.

We use the newest design concepts and modish materials to build a stunning kitchen for your home. Not only do we offer diverse customisation choices but also, we provide a variety of themes and styles to choose from, leaving you delighted with the end-product.

Whether you want to build a brand-new kitchen and laundry from scratch or renovate your existing ones — contact us for ready-made and **custom-made kitchen** specialists in Sydney on **02 9792 4824**, and we'll be pleased to help you.
