Rod McKenzie started Think Local Digital after 25 years of IT work and sales and marketing jobs in many industries. With a broad range of experiences with many businesses, Rod and the team have a wealth of knowledge to help any small to medium business navigate the digital marketing landscape. We have a team of people who work together to create a great offering for any small to medium business looking to partner with a digital marketing agency. We take the time to understand your business and work with you to help you achieve your goals.
