The Inside Job aka TIJ Australia is a Melbourne-based renovation and remodeling company. TIJ delivers luxurious kitchen designs, bathroom designs, cabinet making, joinery, furniture designs, and making services. TIJ gives the live or real touch to your dream or imagination towards your bathroom or kitchen or to any part of your residential and commercial space. TIJ has the best experienced professional team of kitchen designers, bathroom designers, cabinet makers, and furniture makers who give you the latest, trendy, luxury renovation and remodeling services on a budget. TIJ furniture and cabinets occupy low space from the outside and have deep storage capacity space from the inside. TIJ is always concerned with your time and budget so TIJ always keeps in mind to complete work on time and within the budget to meet your requirements.
